Raise **2.6x more** with P2P fundraising!

Why is it so effective?

- Multiplies your reach to potential donors
- Results in more authentic outreach and messaging
- Uses the power of social influence
- Increases your social media presence
- Establishes another avenue for engagement with your organization

Strategize and Plan

4 Key Takeaways for P2P Success!

- 1 Be strategic in who you ask to be a P2P fundraiser
- 2 It's all about your P2P fundraiser's network
- 3 Do everything for them. Seriously.
- 4 Make it fun!!!

Who do I ask to be a P2P fundraiser?

- Don't ask everyone! Staff, interns, board, awesome volunteers, millennials, and tech savvy retirees
- No luddites. They can host a house party.
- Zip code doesn't matter
- Pro tip that no one agrees on...

Success = People's networks

The #1 reason any person donates to an organization is because they are asked to give. Like “duh” to some degree... But also, this is immensely important!

- No one cares about you. They care about the person who is asking them to give!
- Don't expect these new donors to stick around.
- The value is in the P2P fundraiser!
- 2 Pro-Tips. WOW!

Do everything for them!

- Literally everything.
- Set page up for them, ghost write, give them scripts, etc
- Asking for money is scary!
- Small ask amounts are key to success
- People ignore social media

Make It Fun!

- **Hats are fun! Water bottles are fun!**
Having to write your own email asking for money when you need to go grocery shopping or just want to binge watch the new Ted Lasso season is not fun.
- **Gratitude early and often!**
- **Final Pro-Tip... (We're almost done... sad!)**

4 Main takeaways again... cause repetition is good.

- **Start with your closest supporters - Your staff, friends, board, passionate alumni, and dedicated volunteers who are tech savvy are your best prospects for doing P2P fundraising.**
- **P2P is successful because of people's networks!**
- **Support! Support! Support! As much as possible, do it all for your P2P fundraising people.**
- **Make it FUN!**
