

GIVING THAT'S *uniquely* GREEN BAY

GENEROSITY AMPLIFIED.

Give BIG Green Bay is a 24-hour giving day that gives everyone the chance to learn about local nonprofits and invest in their work to strengthen our community.

Each year, a unique group of nonprofits is selected to represent the strength and diversity of organizations serving Brown County. With the Green Bay Packers as our partners, the result is a powerful platform that allows nonprofits to **tell their stories, reach new donors, and create meaningful impact.**

ONE DAY. BIG IMPACT.

Choosing to focus on a smaller group of nonprofits ensures each organization receives **greater community visibility and a larger share of the giving day match dollars.**

Over the past seven years, the average amount raised by organizations participating in Give BIG Green Bay is \$44,000! These results are two to three times the amount organizations raise in other giving days across the country.

Ways to engage...

GIVE

During the 24 hours of Give BIG Green Bay, anyone anywhere can support the important work of participating nonprofits by donating online at giveBIGgreenbay.org.

JOIN THE BUSINESS BOOST

Give BIG Green Bay's Business Boost is an opportunity to engage your employees and highlight your company's commitment to our community.

APPLY TO PARTICIPATE AS A NONPROFIT

The application is open from October 1 until midnight October 31, at giveBIGgreenbay.org.

BECOME A PARTNER

Partners can help increase the match pool, help amplify the message or provide other incentives for the day.
