

#iGIVECATHOLIC ON GIVING TUESDAY

Uploading a GIF on Facebook

- 1 After creating your GIF in Canva, download the file as a GIF

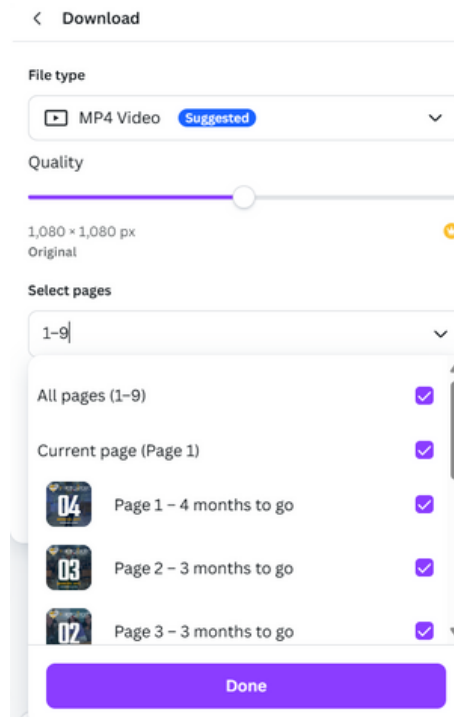

- 2 Login to the Facebook page you would like to post in. Click "create post." Upload the GIF file using the photo/video option.

3 Click post and enjoy your GIF!

When downloading the GIF, Canva will default to downloading all of the pages and as a mp4 file. Be sure to only download the page you want to post and change the file type to GIF!
